*Hi.....*

We understand the role computers play today. Computer systems are vital for both business and personal needs. We are specialists in providing the most advanced and reliable computer systems, in installing effective software, and in providing ongoing, top-notch service. Our systems, service, and consulting capabilities are key to providing high performance and reliability; thus insuring maximum productivity, profitability, and peace of mind.

# COMPANY PROFILE

---

After 3 years of experience in the hardware, software, and computing industries, We formed A I N Computers & Requisites Trading CO L.L.C with the objective of bringing technology to businesses and individuals. The technology should work for the customer, not the other way around. It should promote peace of mind, bring harmony back to the office, and facilitate productivity.

When your whole workplace is operating seamlessly we like to say that you are "Enjoying the A I N Computers & Requisites Trading CO L.L.C " in your office.

---

We say this because the A I N concept is a system, time tested and proven, which delivers effortless reliability and peace of mind to your home and office.

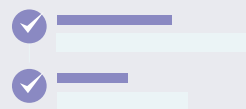

---

## It is our pleasure to provide you with:

- New systems - home PCs, office servers, workstations, and laptops.
- Office and network administration (design, setup, repair, migration).
- Full service computer repair - home and office.
- Security, including anti-virus and firewalls.
- Data recovery and preservation.

# MISSION

A I N Computers & Requisites Trading CO L.L.C mission is to provide computer systems and services for businesses and individuals - systems that are state of the art, highly efficient, and reliable; service that is highly competent, dedicated, and timely. Our ultimate objective is to be a complete support system for businesses and individuals, a support system that will empower our clients with enhanced productivity, increased competitiveness, and overall satisfaction.

# PARTNERS AND AFFILIATES

Many competitors claim to have great connections, but often times purchase their parts from local retail stores. In many cases A I N Computers&Requisites Trading CO L.L.C works directly with the manufacturer - to guarantee you the highest possible quality at the lowest possible cost.
